Mr Orr et. Al.,

~~Civil Action No. 04-159 Erie~~

Motion For Extension of Time to file Appeal

AND Request for transcripts Fed. R. Civ. Pro. 4

Now comes Preston Catchings # BT 8956, requesting a
extension of time to file an Appeal, from C.A. No. 03-284 ~~AND~~
~~100, C.A. No. 04-159 Erie~~, BOTH CASES CONCERN MOTIONS FOR
STAY OF PROCEEDING AND INJUNCTION PENDING APPEALS.

This case derive's from a hearing, "teleconference hear-
ing" 6/15/2005.. Plaintiff received "NO" notice of hearing
prior to this truculent and pugnacious hearing, no time to
prepare; moreover, this obstruction hampered Plaintiff's
ability to litigate the cause of action... Plaintiff, how ever, did
clearly request Judge Baxter, give him the case number's,
being addressed, the request was evaded, there was no response,
thereafter, COL Daisley interposed his malicious interruptive dis-
turbance, "pressing the dial tone button at key intervals, inun-
dating essential parts of the hearing, during the fourth interjection
the teleconference call was disconnected." Plaintiff new not
which case was at controversy, this and other acts to impede
obstruct and/or deny Aggrieve the access to the Appellate process
his legn property moreover, the discovery requested is continuous
inflicting an overbearing and clearly unbecoming of a judicial
officer, clear prejudicial conduct.
